What Will You Find?
After logging in, users can see their personal information, payments and contributions, and view the directory to find contact information for other active MPS members.

Profile includes tabs with biographic information, practice information and addresses. Click "Edit" to make changes.

Payments displays payment history for dues, meetings, etc., current balance and a link to pay if there is an amount outstanding. To pay online, click the "Pay Now" button.

Contributions to the Maryland Foundation for Psychiatry and/or the Maryland Psychiatric Political Action Committee are listed with the most recent shown first.

Membership Directory is the place to find colleagues. The directory includes **all** active MPS members, which is different from the Find A Psychiatrist search that is open to the public and appears on the home page of the site.
