New Organization of the Case Management Guide

1. Resources will be alphabetized by organization or resource name
2. Resources will be put in a table format to remain consistent and organized
3. When new sections or subsections are added, be sure to flag and bookmark accordingly
4. Before adding a new resource, Command-F and search the resources to be sure it has not already been added
5. Please maintain this format to ensure that this guide stays organized and up-to-date
6. If you do not have access to edit the document, please email Kim Carroll with your updates.

1. Affordable Housing

Crisis Intervention Services	(410) 938-4357	<p>Appointments are generally scheduled one to two days in advance, and take place M-F</p> <p>Available for patients in crisis who need to see an experienced psychiatrist ASAP for a one-time only, face-to-face appointment. Psychiatrist then decides if further treatment is necessary. Not intended to be an ongoing outpatient care arrangement, but is a way to provide urgent care and to point the person in the right direction to receive ongoing help.</p>
Scheduled Crisis Intervention Program (SCIP)	(410) 938-5302	<p>Service for child, adolescent, or adult patients with urgent psych needs who are likely to require treatment from and/or a direct referral to a more intensive level of care, such as partial hospitalization or inpatient care. For medically stable patients, our SCIP is an alternative to an emergency room visit and provides the supportive intervention needed to help the patient heal and recover.</p> <p>Initial phone screening is helpful to determine whether it is appropriate to be evaluated at SCIP. If it is determined that SCIP is appropriate, an appointment is scheduled with a licensed psychiatrist, within 24 hours if possible.</p> <p>Insurance: Medicaid, Medicare, most major insurance companies, best to contact insurer directly to determine if SP in network</p>
