

ANNOUNCING 2025 Package Options

Who are we?

The Maryland Psychiatric Society (MPS) is a professional medical organization that represents close to 800 psychiatrists statewide.

What do we do?

- Advocate for Maryland psychiatric patients to receive the highest quality care
- Work to ensure that historically disadvantaged and marginalized individuals have access to culturally respectful, comprehensive treatment
- Serve and represent the professional needs of Maryland psychiatrists
- Collaborate with professional, community, and government organizations to advocate for patients' rights and issues

Why choose us?

Advertising with the MPS is an *effective* way to reach psychiatrists with your message.
