

# HOW DOES YOUR COVERAGE COMPARE?

Psychiatrists are more likely to face a medical board complaint than a lawsuit. Administrative defense claims can sometimes cost upwards of \$40,000 and many insurance companies fall short in covering these expenses. We recognize this risk and that is why we automatically include administrative defense coverage of \$50,000\* in your medical professional liability policy at no extra cost. How does **your** coverage compare?

\* Except in Maryland where the law requires an additional charge, although we include it automatically as part of the package for the doctor's convenience.

**More** than just medical professional liability insurance.
