

connect

MPS offers so many options for engaging and communicating with your MPS colleagues on topics that interest you. **To sign up for a Committee or Interest Group, email mps@mdpsych.org.** Read more on our website: <https://mdpsych.org/about/>

Just Launched: Curbside Conversations!

Curbside Conversations is members with in-depth knowledge in specific areas having informal chats with other MPS members seeking that information. These discussions are not formal consultations, but rather a collegial resource that is offered voluntarily to others in the MPS community. Visit the website for more details <https://mdpsych.org/2020/10/curbside-conversations-new-resource-exclusively-for-mps-members/>

LISTSERV

All active MPS members are invited to join the MPS listserv — a place where you can quickly and easily share information with other MPS psychiatrists. To join, go to <http://groups.google.com/group/mpslist>. You will need to wait for membership approval and will be notified by email once your request has been processed. If you have trouble please email mflloyd@mdpsych.org and we will add you directly.
